BARN RULES

Pick up any Poop in aisle or wash rack immediately

Don't leave halters attached to Cross ties

Keep all stall doors closed

Keep tack room door closed (it is heated and air conditioned and I don't want mice in it.)
Keep the Tack Room neat!

Put all Tack and Equipment away before leaving.

Sweep your grooming area before you go out to ride so the next person riding doesn't have to clean up before they begin to groom.
Sweep aisle before leaving.

Pick up poop in riding rings after each use. (it makes the footing slippery)

Fill any holes that you may find and pick up any dangerous object that you see.

Check water troughs when you put your horse back out, and fill if necessary.

Do Not "Borrow" items from others without their express permission.

No loose horses in the indoor arena.

No jumping in the indoor arena.

Do not lead horses through the "people" door into the indoor arena, use the big sliding doors.

When done in the indoor arena pick up all poop, turn off lights and fans, and close all doors.

If you jump in the outdoor arena, put the jumps away after you ride. You may set up a more permanent course in a field after mowing season is over.

NO CHILDREN ALLOWED IN THE LOFT
